

I See Stars - Running With Scissors

```
Tom: B
The truth cannot be anymore clear
And I?m not asking you to hold on
It?s everything that you ever feared
I know you?re trying so hard to move on
It kind of feels like someone
Replaced the heart that once was yours
I?m trying hard to be someone
But falling short of the person I want to be
So I?ll pretend I?m letting go
While you?re dancing in the past without colors
You?ll be the one running away in my nightmares
I?m letting go
You said you?d never ever look back
           Α
You?ll be the one running away in my nightmares
( Bm A )
( Bm A )
( Bm A )
Running, running, running
Running, running, running away
```

```
Running, running, running
Running, running, running away
The truth cannot be anymore clear
And I?m not asking you to hold on
It?s everything that you ever feared
So I?ll pretend I?m letting go
While you?re dancing in the past without colors
You?ll be the one running away in my nightmares
I?m letting go
You said you?d never ever look back
