There you go again with your first world problems
Where your living is easy

I, I'm an early riser
Wake up let the sun go to my head
Hey, just hypnotise ya
Walking like your boots are made of lead

I, I'm an easy rider
Watch me as I ride and glide away
Say, still might surprise ya

Disappear come back another day

A trick of smoke and mirros to steal your mind
All is an illusion, mired in confusion, Codex Alimentarius
