

# Iasmin Hallac - Butterfly Effect

tom:  
[Primeira Parte]

**Gbm** **E** **D**  
What if the world was black and white

**E** **Gbm**  
And having feelings were normalized?

**E** **D**  
What if I didn't drown in your eyes, fall in love with your mouth

**E** **D**  
And ignore the whole crowd?

[Pré-Refrão]

**D** **A** **B**  
Maybe I'd be the one who would shine

**D**  
And maybe everyone would be polite

**D** **A** **B**  
Maybe I would still be alone waiting for the time to go home

[Refrão]

**Dbm** **B** **A** **Dbm** **B**  
'Cause everything I do feels like my life is totally wrecked

**Dbm** **B** **A** **Dbm** **B**  
And everyone I know is tired of hearing that

**A**  
Same old story of what if and then forget

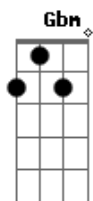

**B** **Gbm** **E** **D** **E**  
That we're all experiencing the same butterfly effect

[Segunda Parte]

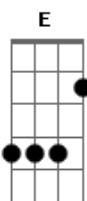

**Gbm** **E** **D**  
What if happiness is synonymous with rain

**E** **Gbm**  
And wash away all my pain?
