

Iasmin Hallac - I Had a Dream

tom:

C

[Primeira Parte]

I had a dream I would go to L.A

Make my wishes come true

Maybe visit other states

They all told me I shouldn't run away

Even though all I wanted to do

Was just, for once, make a change

[Refrão]

Doesn't matter if they come with me

No matter how late I'll be

What matters is everything I'll do to live my life freely

[Segunda Parte]

I had a dream I got married and lived happily

Rented an island for a month

And ran away from the world's catastrophes

And every time I felt lost, looked up to the sky and saw the Moon

'Cause with you there by my side

How could I ever feel blue?

[Refrão]

Doesn't matter if they come with me

No matter how late I'll be

What matters is everything I'll do to live my life freely

[Ponte] Bm D G Em
Bm D G Em

[Refrão]

Doesn't matter if they come with me

No matter how late I'll be

What matters is everything I'll do to live my life freely

[Final]

What I'm searching for is right above me

Just look up and see

Can you feel the breeze?

Don't freak out if one day you can't find me

I'll be right up there

I'm right up here

Don't worry if I get lost or don't win

'Cause I'll fight and win

Success will be achieved

Doesn't matter if things turn out differently

Everything is meant to be

It was meant to be

What I'm searching for is right above me

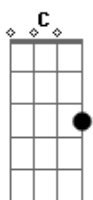

Just look up and see

Can you feel the breeze?

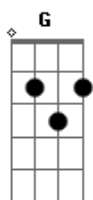

[Final]

And I'll live my life freely
