

ICF Worship - All About You

Tom: E

I'm sinking down in grace deeper than the ocean
Fully immersed though I don't deserve
What could I give but a life laid down
In worship

A billion stars can't outshine Your glory
Your love is vast and Your heart is kind
I give You my life and You rewrite my story
To bring You praise

It's all about You
It's all about You
Jesus, oh Jesus
It's all about You
It's all about You
Jesus, oh Jesus

I'm swept away in the tides of Your mercy
Washed in Your love I have come undone
I let go of pride and I lift my voice
For Your glory!

We lift up Your Name
To You all the glory
