

# Iggy Pop - Cry For Love

Tom: **C**

(intro)

**Am** **F**  
Status seekers - I never cared  
once I found out they never dared  
to seize the world and shake it upside down  
and every stinking bum should wear a crown  
Sayin' I cry for love  
till all the plates are broken

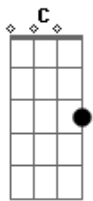

**Am** **F** **G**  
cry for love until my eyes are soakin'  
**Am** **F** **G**  
yeah cry for love on every salmon mornig  
**Am** **F** **G**  
cry for love 'cause imitation's boring  
**Am** **F**  
cry for love

**Am** **F**  
bad tv that insults me freely  
still i know what I'm dyin' to see  
in searching for a meaningful embrace  
sometimes my self-respect took second place

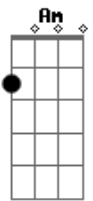

**Am** **F** **G**  
an' I cried for love i did what my heart told me  
**Am** **F** **G**  
cried for love can't stand it when they scold me  
**Am** **F** **G**  
yeah i cried for love on every salmon morning  
**Am** **F** **G**  
yeah i cry for love 'cause imitation's boring  
**Am** **F**  
cry for love

**Am** **F**  
Surfers ride for love and wipe out when it hits 'em  
soldiers kill for love and nobody admits it  
if you're cryin' for love well, that's ok don't sweat it  
if you're cryin' for love then there's still a chance you'll  
get it
