

# Iggy Pop - Idea Of Fun

Tom: **D**

Ok so... here's the song

Tabed By Shawn M.

(this is my first tab I have ever made and there are no other tabs for this song so if don't like it learn how to play it yourself

Intro: (doesnt sound quite right but it's better than no tab)

and then the main riff which is repeated over and over

then the guitar solo, but I don't know it yet. Oh and sorry but don't be expectting it anytime soon. :P

## Acordes
