

Iggy Pop - Living On The Edge Of The Night

Tom: C

A
You went off the river
D
Smoke stacks fade to blind
A
This town's my own, ridin' free and alone
D
And I'm looking back
A D
Maybe I know some people
A D
Maybe I break some rules
A D
But this is the street, I've got to compete
F G
Baby, I ain't no fool
C A
So I take a little bad with the good
F G
It ain't just black and white
(It still ain't black and white)
C A
You've got to deal with the real
F G C A
Woo, living on the edge of the night
Am
Every wild desire
Dm
Beckons from the dark
Am

I've made my bed but I can't risk my head
Dm
While I still swim with sharks
Am Dm
Everyone needs something
Am Dm
Sometimes they don't know why
Am Dm
But so much good's been misunderstood
F G
In the blink of the eye
(Repeat)
Am Dm
You say that you don't like it
Am Dm
Or maybe it's just my life
Am Dm
So you live yours and I'll keep mine
F G C
Rolling like a wheel through the city on the edge of the night
C
And when the black rain's down
Am
In this cold grey town
F
I'll be waiting
G C Am
Waiting at the edge of the night
F G C Am
Woo, living on the edge of the night
F G Am Dm Am Dm Am
Woo, living on the edge of the night
