Tom: **C**
Intro: dução (é tocada durante toda a música, exceto pela primeira parte do refrão)

Am Down where your paint is cracking
F Look down your backstairs buddy
Am Somebody' living there and
F He don't really feel the weather
Am And he don't share your pleasures
F No, he don't share your pleasures
Am Did you see his eyes?
F Did you see his crazy eyes?
C And you're so surprised he doesn't run to catch your ash
C Everybody always wants to kiss your trash
Am And you can't help him, no one can
F And now that he knows
Am There's nothing to get
F Will you still place your bet

Am Against the Neighborhood Threat?
F Somewhere a baby's feeding
Am Somewhere a mother's needing
F Outside her boy is trying
Am But mostly he is crying
F Did you see his eyes?
F Did you see his crazy eyes?
C And you're so surprised he doesn't run to catch your ash
C Everybody always wants to kiss your trash
Am And you can't help him, no one can
F And now that he knows
Am There's nothing to get
F Not in this place
Am Not in your face
F Will you still place your bet
Am Against the Neighbourhood Threat?

(continua com "Am" e "F" até o final da música)
