

Iggy Pop - Tiny Girls

Tom: Gb

Gb
Well the day begins

Gb
You don't want to live

Db
'Cause you can't believe

Gb
In the one you're with

Db
'Cause you know her tricks

C#sus2
And you know her past

Db
When she makes a face

Gb
You just have to laugh

Abm Abm
And you feel like such a know-it-all

Abm Abm
When you only want just a tiny girl

Db

And you hope she'll sing.

Gb
So you turn around

Gb
Toward the tiny girls

Db
Who have got no tricks

Gb
Who have got no past

Db
Yea that's what you think

C#sus2 Db Gb
And you hope she'll sing

Abm
But she sings of greed

Abm
Like a young banshee

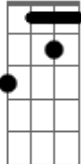

Abm
And she wants for this

Abm
And she wants for that

Db
What did you think.
