

# Igor Prado - Tell Me What's On Your Mind

tom:

G

G7 C7

I say baby Tell me what's on your mind

G7 C7

Tell me the clap and neath Oh baby for a long long time

C B G

The time has come to tell me what trouble it would to see

C B G

It seems not doing that thing use supposed to be doing to me

C B G

Something tell me that i wanted you too long

G7 C7

So come on baby and tell me what's on your mind

G7 C7

Girl you see, you don't know what i mean

G7 C7

Oh you say that i just trying to stole the scene

C B G

You just don't know what it just to mean to see you act this way

C B G

I start to think about it baby just the way too worse to see

C B G

You better tell me if my patience gone to jogged

G7 C7

So come on baby and tell me what's on your mind

G7 C7

I say to my fell me you better let her go

G7 C7

My suspicious tell me boy you really don't wanna know

C B G

But i passing out you find let just happen to me

C B G

Lord i hurt and you don't stop do this things to me

C B G

But wont to tell me baby what really wanna know

G7 C7

So come on baby and tell me what's on your mind

G7 C7

Oh baby tell me what's on your mind

G7 C7

You know that i love, oh You know that i need you

G7 C7

What do you do, what did you like to do

G7 C7

Oh baby i love you, you know baby i need you

G7 C7

Oh baby i love you, you know baby i need you
