And I will never reach them
Because I'm just more one name

Socks for feet, magician wands
I really want to know anything, but

[Refrão]

I can't dance
I can't fight
I can't sing, I'm not lying
I can just write about my failure
I can't build
I can't fly
I can't swim, can't to climb
I'm a useless person, unnecessary life
(G D Em C)

I already notice a thing
Everyone has at least one gift
But I have no idea why I am always shift
I tried to learn all is possible
However nothing seems right
I never going to find something than I can call mine

Painters dancers and all professionals
Are offering their best, but I

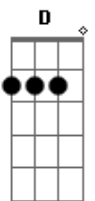

[Refrão]

I can't dance
I can't fight
I can't sing, I'm not lying
I can just write about my failure
I can't build
I can't fly
I can't swim, can't to climb
I'm a useless person, unnecessary life
I can't dance
I can't fight
I can't sing, I'm not lying
I can just write about my failure
I can't build
I can't fly
I can't swim, can't to climb
I'm a useless person, unnecessary life
