

Il Volo - My Way

```
tom:
                {f C} (forma dos acordes no tom de {f D} )
                            Afinação: D G C F A D
And now the end is near
And so I face the final curtain
My friend, I'll say it clear
               Α7
I'll state my case of which I'm certain
        D
I've lived a life that's full
             G
I traveled each and every highway
    D
And more, much more than this
               D
I did it my way
Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exemption
I've planned each charted course
Each careful step along the byway
```

```
And more, much more than this
I did it my way
Yes there were times, I'm sure you knew
When I bit off more than I could chew
But through it all when there was doubt
I ate it up and spit it out
              Em
I faced it all and I stood tall
And did it my way
For what is a man, what has he got?
If not himself, than he has naugth
To say the things he truly feels
And not the words of one who kneels
The record shows, I took the blows

G

D
And did it my way
My way
```
