

Illumishade - Golden Lands

tom:
 E
 Young girl dream
 Of golden lands
 Rest in my hands
 Carefree
 Memories
 Of waltzing in bare feet
 Child, You were young
 You're older now
 Time flown by
 Your dreams will fade
 Lost all your faith
 Your tears shall fall
 Memories
 Of walks in summer heat
 If I could fly back in time
 I would to you

Please do not beg nor cry
 I'll sing our lullaby
 And you will learn to push on through
 You'll have the strength and pride
 Show your feelings trapped inside
 Life's a test
 You'll try your best, I'm sure
 Cold wind blows
 I stand alone
 Stick to your plans
 She's say
 Memories
 And longing for past times
 Well, now I see
 They're over now
 (Db Gb A E Gbm)
 My old dream
 Of golden lands
 Slipped through my hands
