

Imaginasamba - Cidade Neom

Tom: **Db**
Intro: **Db7 / Db**

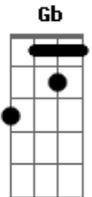

Nem a lua nem o sol nem a noite o meu lençol
 Conseguem me esconder dessa sauda.....de
 Pois quando o sol se vai e a noite cai
 Procuro por você nessa cida.....de
 você que a me aquece e me faz
 esquecer do mundo lá fora
 me faz viajar quando estou contigo
 nada mais me apavora

mas quando o dia amanhece
 você simplesmente esquece
 dos momentos de carinho
 e me deixa aqui sozinho
 Refrão
 Amanheceu na cidade a cor de neom
 nos lençóis o odor do baton
 nossa cama tão desarruma.....da
 amanheceu minhas lagrimas deixo rolar
 sua fuga me faz confirmar
 que no fundo esta apaixonada.....da
