

Imaginasamba - Sem Vestígios

Tom: **D**

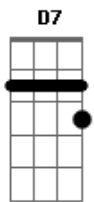

D **D7** **G7**
 Dias e noites vi nascer, luas em cada amanhecer
Bb **A7** **D**
 Inverno frio de doer, Tudo sem você.
D7
 O tempo parou em minhas mãos
G7
 Saudade do cheiro de paixão
Bb **A7** **Bm**
 Cada é silêncio solidão, Difícil te perder
Gbm **G7**
 Nosso beijo combinou, Coração acelerou
D **Gb7**
 Se tinha outra saída explica
Bm **Gbm**
 Você pensa em complicar

G7
 Eu só penso em voltar
A7 **A7**
 Esquece as nossas brigas
D **G7**
 Tá levando tudo á ferro e fogo
A **Gb7**
 Pondo o amor em risco Por tão pouco
Bm **Gbm** **G7** **A7**
 Absurdo, perder tudo e nem se importar
D **G7**
 É uma fase só mal resolvida
A **Gb7**
 Mas com beijo tudo simplifica
Bm **Gbm** **G7** **A7**
 Sem passado, sem vestígios pra recomeçar
