

# Imagine Dragons - America

Tom: C  
Intro: C

Is this just an illusion  
That I made inside my head to get me by?  
20 years in debt  
20 years in the government  
20 years can never get me by

Then I feel you close  
Feel you close like you wanted me to  
Feel you close like you wanted me to  
Believe in you

Rise to the top of the world, America  
America, don't you cry

Lift me up  
Give me strength to press on  
Rise to the top of the world, America  
America, don't you cry

Lift me up  
Give me strength to press on

From farmers in the fields  
To the tallest of the towers that fall and rise  
1-7-7-6  
The names upon the list

For all the ones that gave until they died

Don't you hold back  
I can see in your mind, and your mind will set you free

Then I feel you close  
Feel you close like you wanted me to  
Feel you close like you wanted me to  
Believe in you

Rise to the top of the world, America  
America, don't you cry

Lift me up  
Give me strength to press on  
Rise to the top of the world, America  
America, don't you cry

Lift me up  
Give me strength to press on

Rise to the top of the world, America  
America, don't you cry

Lift me up  
Give me strength to press on  
Rise to the top of the world, America  
America, don't you cry

Lift me up  
Give me strength to press on
