I'm sorry, mother
I'm sorry, I let you down
Well, these days I'm fine
No these days I tend to lie
I'll take the Western train, just by the side
Of Amsterdam
Just by my left brain, just by the side of the Tin Man
I'm sorry, brother
I'm sorry, I let you down
Well, these days you're fine
No these days you tend to lie
You'll take the Western train, just by the side of
Just by my left the brain, just by the side of the
Tin Man
Your time will come
if you wait for it, if you wait for it
It's hard, believe me, I've tried
But I keep coming up short
I'm sorry, lover
I'm sorry I bring you down
```

Well, these days I try and these days I tend to lie Kinda thought it was a mystery and then I thought I Wasn't meant to be You set yourself fantastically "Congratulations, you are all alone" Your time will come If you wait for it, if you wait for it It's hard, believe me, I've tried Your time will come If you wait for it, if you wait for it It's hard, believe me, I've tried But the rain won't fall for the both of us The sun won't shine on the both of us Believe me when I say That I wouldn't have it any other way Your time will come If you wait for it, if you wait for it It's hard, believe me, I've tried But I won't wait much longer, 'cause these walls They're crashing down No, I won't wait much longer, 'cause these walls They're crashing down And I keep coming up short
