# Imagine Dragons - Blur

```
                              tom:
                        D
Intro:  Bm   G

 G
I'm always looking for
 D
Something I can afford
 G                         D
Something to work for
                    G
I don't know if it's healthy
 D
 Oh God,?help me
Bm                G
I wanna be satisfied with what I have
 G                    D
I'm always chasing higher placement
 G                           D
 This bump is not enough
                 G
And when I (Hoo) hit the pavement
 D
 Don't save me
Bm
  I'm such a waste of space

 G
 I'm always waiting for the weekend
 D                        G
 I'm always hoping for a reset
 D                        G
 I will be happy when I'm older
 D                          Bm
 Why is everything never good enough for me?
 G
 Why is everything never

 G      D
 I'm never satisfied, I'm
 G          D
 Starting to blur
                  G            D
Waiting for the tide to wash m? out
          Bm
Clean me up
                 G            Bm
'Cause I am starting to blur
              G
Yeah, I'm starting to blur

 G
 I'm always waking up
 D
 Looking to fill my cup
 G                  D
 I'm such a loser
```

```
                      G
'Cause I got it all right in front of me
 D
 Everything I could need
Bm                        G
  I wanna be satisfied with what I have
 G
 If I put that smile on
 D
 I turn my light on
 G                      D
Maybe I believe it too
                    G
But I don't know if my head's right
 D
 I'm waking all night
Bm
 (You should give up the fight)

 G
 I'm always waiting for the weekend
 D                        G
 I'm always hoping for a reset
 D                        G
 I will be happy when I'm older
 D                          Bm
 Why is everything never good enough for me?
 G
 Why is everything never

 G      D
 I'm never satisfied, I'm
 G          D
 Starting to blur
                  G            D
Waiting for the tide to wash me out
          Bm
Clean me up
 G
'Cause I am starting to blur
 G      D
 I'm never satisfied, I'm
 G          D
 Starting to blur
                  G            D
Waiting for the tide to wash m? out
          Bm
Clean me up
                 G
'Cause I am starting to blur

[Final] G  D  G  D
        G  D  Bm  G
        G  D  G  D
        G  D  Bm  G
        Bm  G
```
