

# Imagine Dragons - Cover Up

Tom: C

C  
There's lights that line these halls  
That beckon us to stay  
A glimmer in the distance  
That gathers all the stray  
And when I need it most  
It breaks into a song  
That runs through all my veins  
And helps me to hold on

Am  
Ohhhhhh  
F  
Ohhhhhh- Oh- Oh

It was a long night  
C Dm Am  
We ran along into the spotlight  
C Dm Am  
You sang a song that made the children cry  
C Dm Am C Dm Am  
And all the people knew my name

It was a bright light

These lands combine into a great big mass  
C Dm Am  
We sang along to the very last  
C Dm Am C Dm Am  
Oh, the jury stole my fame

Am  
And then we grabbed the sun  
G  
And it shined into these eyes  
Believe me

Am F  
Cover up, rain down

We wept on the edge of this town  
Am F C
