

Imagine Dragons - Cover Up

Tom: C

C
There's lights that line these halls
That beckon us to stay
A glimmer in the distance
That gathers all the stray
And when I need it most
It breaks into a song
That runs through all my veins
And helps me to hold on

Am
Ohhhhhh
F
Ohhhhhh- Oh- Oh

It was a long night
C Dm Am
We ran along into the spotlight
C Dm Am
You sang a song that made the children cry
C Dm Am C Dm Am
And all the people knew my name

It was a bright light
C Dm Am
These lands combine into a great big mass
C Dm Am
We sang along to the very last
C Dm Am C Dm Am
Oh, the jury stole my fame

Am
And then we grabbed the sun
G
And it shined into these eyes
Believe me

Am F
Cover up, rain down

We wept on the edge of this town
Am F C
It's all I want it's all we want tonight
I feel it
Am F
Cover up, rain down
