

# Imagine Dragons - Curse

Tom: Eb

She barely knew your name  
 He was just a city, she's just a dirt road  
 but that never meant a thing  
 running from the country, she needed out but, he held that diamond ring

Cause I can't sit oh I cant talk  
 I gotta leave this town and run to you  
 curse these nights that speak your name  
 I gotta leave this town and come to you  
 break (oh) this (oh) curse (oh)  
 ha ha ha  
 break (oh) this (oh) curse (oh)  
 G (Hold)  
 she barely knew your name

He was such a worry

no need to hurry  
 those streets are slick at night  
 she would never listen  
 she left it all and headed towards the light  
 oh your eyes look tired  
 but love was all she knew  
 screaming out in agony she gave her life for you

Cause I can't sit oh I cant talk  
 I gotta leave this town and run to you  
 curse these nights that speak your name  
 I gotta leave this town and come to you  
 break (oh) this (oh) curse (oh)  
 ha ha ha  
 break (oh) this (oh) curse (oh)  
 G (hold)  
 she barely knew your name
