Intro: A  E  A  E

A                    E              A
Don't throw my name 'round here like that
          E         A
You could get us in some trouble
          E
Talking that way and
A          E       A
Monday you got me that's a fact
          E         A
You could get me in some trouble
          E
Talking that way and
A    E
Iiiiii don't need nobody

A                  E
If you ever want to join me
A             E        A    E  A   E
Baby I'll be dancing in the dark
A                  E
If you ever want to join me
A             E        A    E  A   E
Baby I'll be dancing in the dark

  Dancing in the
A
  Join me baby

A              E       A        E             A
Most days I'm keeping to myself, living in my little bubble
         E            A        E          A
```

```
Throwing my weight and moving my body through the sea
         E         A
You could come join me
         E
Moving like the weekend
A    E
Iiiii don't need nobody

A                  E
If you ever want to join me
