

# Imagine Dragons - Drive

Tom: **F**

Get me right, all it takes is silent night **F**  
 I want my eyes to see these lights **Dm**  
 Hold hold hold on hold hold on **Bb**  
 But when it comes it goes **C**  
 I am on my knees, oh forgive me **F**  
 Get me right, look at these people flying kites **Dm**  
 They seem to live forgotten nights  
 Hold hold hold on hold hold on **Bb**  
 But when it comes it goes **C**  
 I am on my knees  
 Oh forgive me

**F** **Dm**  
 Drive, I got my head on aright **Bb**  
 I got my people strapped tight **C**  
 I got my head on aright  
 Oh oh oh oh  
**F** **Dm**  
 I, I got my head on aright **Bb**  
 I got my people strapped tight **C**  
 I got my head on aright  
 Oh oh oh oh

**F**  
 Oh get me right, all it takes is starry nights **Dm**  
 I want my eyes to see these lights  
 Hold hold hold on hold hold on **Bb**

I am on my knees **C**  
 Oh forgive me **F**  
 Get me right, look at these seagulls in the air **Dm**  
 They seem to yell just like we care  
 Hold hold hold on hold hold on **Bb**  
 But when it comes it goes **C**  
 I am on my knees  
 Oh forgive me
