

Imagine Dragons - Every Night

Tom: C

(com acordes na forma de G)

Capostrate na 5ª casa

G D

I'm coming home to you

Em C

Every night, every night, every night, every night

Em D

I'm the colorless sunrise

Gm C

That's never good enough

Em D

I'm the wind that's in your hair

Gm C

That ruffles you up

Em D

If you can find a reason

Gm C

You can let me know

Em D

I won't blame you

Gm C

I'll just turn and go

G D

I'm coming home to you

Em C

Every night, every night, every night, every night

G D

Coming home to you

Em C

Every night, every night, every night, every night

Em D

My mind is made up

C

Nothing could change that

G D

I'm coming home to you

Em C

Every night, every night, every night, every night

Em D

Searching to find myself

Gm C

But all I find is you

Em D

I can hardly stand myself

Gm C

So what am I to you?

Em D

If you can find a reason

Gm C

You could let me know

Em D

I won't blame you

Gm C

I'll just turn and go

G D

I'm coming home to you

Em C

Every night, every night, every night, every night

G D

Coming home to you

Em C

Every night, every night, every night, every night

Em D

My mind is made up

C

Nothing could change that

G D

I'm coming home to you

Em C

Every night, every night, every night, every night

G D

No matter, no matter

Em C

No matter what we're facing

G D

It don't matter, don't matter

G D

'Cause the reason that I'm here

Em C

Is the same through all these years

G D

Not changing, not changing

Em C

Anything at all

G D

I'm coming home to you

Em C

Every night, every night, every night, every night

G D

Coming home to you

Em C

Every night, every night, every night, every night

Em D

My mind is made up

C

Nothing could change that

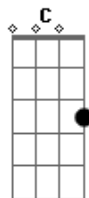

G D

I'm coming home to you

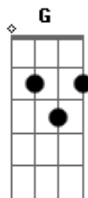

Em C

Every night, every night, every night, every night
