

Imagine Dragons - Hear Me

```
Tom: G
Try to hear my voice
You can leave, now it's your choice
Maybe if I fall asleep, I won't breathe right
Maybe if I leave tonight, I won't come back
I said it before, I won't say it again
Love is a game to you, it's not pretend
Maybe if I fall asleep, I won't breathe right
Can nobody hear me?
          Em
I've got a lot that's on my mind
I cannot breathe
Can you hear it, too?
(C Em )(x2)
You kiss and you kiss
And you love and you love
You've got a history list and the rest is above
And if you're warm then you can't relate to me
From the floor to the floor
```

```
And the sky to the sky
You've got to love and adore and the rest is a lie
And if you're warm, then you can't relate to me
I said it before, I won't say it again
Love is a game to you, let's not pretend
Maybe if I fall asleep, I won't breathe right, right, right
Can nobody hear me?
I've got a lot that's on my mind
I cannot breathe
Can you hear it, too?
(Em D)(X2)
Leave your shoes at the door, baby
I am all you adore, lately
                                      C
Come with me and we will run away
Refrão X2:
Can nobody hear me?
I've got a lot that's on my mind
I cannot breathe
Can you hear it, too?
