

Imagine Dragons - Hopeless Opus

```
Intro: E A (2x)
Hey Mr. cage man let me get a fresh breath
Cherry bomb head strong I could fake my own death
Hey Mr. fate man shuffle me a ninth life
I've been wrong, go long
throwing me a sharp right
It's not a picture perfect life
                Gb7
Not what I had in mind
D
          C
Let me write my own line
I've got this place
That I've filled with empty space
     В
Oh I'm trying not to face what I've done
My hopeless opus
\ensuremath{\mathrm{I}}\xspace in this race and \ensuremath{\mathrm{I}}\xspace hoping just to place
Oh I'm trying not to face what's become of me
My hopeless opus
( E A )
Hey Mr. safe man hustle me an okay
I could slide take a dive take it for the home team
Hey Mr. postman slip me one more green note
I've been low hit the floor looking just to make broke
It's not a picture perfect life
              Gb7
Not what I had in mind
Let me write my own line
```
