Imagine Dragons - I'm Happy

tom: Intro: C Em G C Em G С What's wrong with me? Em G C There's somebody else, inside my head Em G C That doesn't want me to be happy Em I know my rights G I live on till I die I've got this day Em G C Each night I go to sleep and drink I'm swimming in the deep end Fm G You're my boat and I'm sinking Life flies by me but I'm thinking Fm G You saved my life and now I'm happy Em G C Em Cause finally I feel I got it all Fm G Started out with nothing at all Em G С And even when I might fall down Em G I know my luck will come back around C Em They're telling me, that I should love myself Sometimes I fail Em C But then you hit me like a whiplash Yellin' in my corner G Em She's a wild one, yes I should warn ya Life flies by me every morning

Em G Cause finally I feel I got it all Fm G Started out with nothing at all Em G C And even when I might fall down Em G I know my luck will come back around Em G They tell me to write a paragraph of everything I love about me С Fm G С Write a paragraph and send it in the mail to a future me that's trying desperately to start a family $\mathsf{C} \quad \mathsf{Em} \ \mathsf{G} \quad \mathsf{C}$ Teach them to love themself Em G Teach them to love themself C Em G C G Em Teach them to love themself I'm happy G Em Cause finally I feel I got it all Em G Started out with nothing at all Em G C And even when I might fall down Fm G I know my luck will come back around I'm happy Em G Cause finally I feel I got it all Fm G Started out with nothing at all Em G C And even when I might fall down Em G I know my luck will come back around G Em G Happy happy happy happy C Em G Happy happy happy happy Ha!
