

# Imagine Dragons - I'm So Sorry

tom:

[Primeira Parte]

About time for anyone telling you  
I throw all your deeds  
No sign, the roar and thunder  
Stopped in cold to read  
I get mine and make no excuses  
Waste of precious breath (No time)  
The sun shines on everyone  
Anyone, love yourself to death

[Refrão]

So you gotta fire up, you gotta let go  
You'll never be loved till you make your own  
You gotta face up, you gotta get yours  
You'll never know the top 'till you get too low  
Oh son of a  
Stepfather  
Oh son of a  
I'm so sorry  
Oh son of a  
Stepfather  
Oh son of a  
I'm so sorry

[Segunda Parte]

No lies and no deceiving  
Men is what you lose  
I keep trying to conceive  
That death is from above (No time)  
I get mine and make no excuses  
Waste of precious breath (No time)  
The sun shines on everyone  
Anyone, love yourself to death

[Refrão]

Life isn't always what you think it'd be  
Turn your head for one second  
And the tables turn  
And I know, I know that I did you wrong  
Will you trust me when I say  
That I'll make it up to you somehow  
Somehow
