

Imagine Dragons - It's Time

Tom: **D**

obs: intro é tocada denovo 1 vez, depois é tocada a primeira parte até chegar no refrão, os acordes são tocados em um teclado, mas se quiser tocar no violão o ritmo são algumas vezes para baixo até chegar no refrão, onde a intro é trocada por um ritmo

Intro:

D
So this is what you meant when you said that you were spent?
A
Bm
And now it's time to build from the bottom of the pit right to the top,

Don't hold back
G
Packing my bags and giving the academy a rain check **D**

I don't ever want to let you down
I don't ever want to leave this town **Bm**
G
'Cause after all

This city never sleeps at night...

D
It's time to begin, isn't it?
Bm
I get a little bit bigger, but then,
Em
I'll admit, I'm just the same as I was
G
Now don't you understand

That I'm never changing who I am?

(**D** **A** **Bm** **G**)

D
So this is where you fell, and I am left to sell
A
the path that heaven runs through miles of clouded hell,
Bm
right to the top

Don't look back
G
Turning to rags and give the commodities a rain check **D**

I don't ever want to let you down
A **Bm**

I don't ever want to leave this town
G
'Cause after all

This city never sleeps at night...

D
It's time to begin, isn't it?
Bm
I get a little bit bigger, but then,
Em
I'll admit, I'm just the same as I was
G
Now don't you understand

That I'm never changing who I am?

It's time to begin, isn't it?

I get a little bit bigger, but then,

I'll admit, I'm just the same as I was

Now don't you understand
That I'm never changing who I am?

Bm **A**
This road never looked so lonely,
G
This house doesn't burn down slowly,
Em **G**
to ashes, to ashes...

It's time to begin, isn't it?

I get a little bit bigger, but then,

I'll admit, I'm just the same as I was

Now don't you understand

That I'm never changing who I am?

Bm
It's time to begin, isn't it?
A
I get a little bit bigger, but then,
G
I'll admit, I'm just the same as I was
Em **G**
Now don't you understand

That I'm never changing who I am?

(**D** **A** **Bm** **G**)
