Don't hold back

I don't ever want to let you down

I don't ever want to leave this town **Bm**

'Cause after all **G**

This city never sleeps at night...

It's time to begin, isn't it?

I get a little bit bigger, but then, **Bm**

I'll admit, I'm just the same as I was **Em**

Now don't you understand **G**

That I'm never changing who I am?

(**D A Bm G**)

D
So this is where you fell, and I am left to sell

A
the path that heaven runs through miles of clouded hell, **Bm**
right to the top

Don't look back

G
Turning to rags and give the commodities a rain check **D**

I don't ever want to let you down
