tom:

Dm

Sometimes, I can get a little

I can get a little lonely

Dm Em

Sometimes, I can get a little

F G

I can get a little lonely

Dm Em F G

Some nights I get a little lonely

Dm C Bb A

It's even when there's people all around me

Dm Em F G

Sometimes I get a little anxious

Dm C Bb A

'Cause these pills don't work the way the doctor played it

Dm Em

I'm startin' to spin, needles and pins

F G

Right on the brim, hand on a limb, takin' it in

Dm C Bb

Sleep it away, life in a day, no day in a life

A

Mixin' it up, checkin' it twice

Bb

Tryin' to breathe, startin' to seize

A

Lights, camera, action and scene

A

Story of my life

Dm Em

Oh, love (Sometimes, I can get a little)

F G

Have mercy (I can get a little lonely)

Dm C

On me (Sometimes, I can get a little)

Bb A

And keep me company (I can get a little lonely)

Dm Em

I said oh, love (Sometimes, I can get a little)

F G

Have mercy (I can get a little lonely)

Dm C

On me (Sometimes, I can get a little)

Bb A

And keep me company (I can get a little lonely)

I said

F G

Sometimes, I smile to keep things easy

Dm C Bb A

I hide in corners, hope that no one sees me

Dm Em F

So I'm playin' the role, ridin' the bull, stuck in a hole

G

Takin' a bow, lookin' so proud

Dm C Bb

Look at me now, talkin' about pills in my mouth

A

Under the tongue, isn't it fun?
