

Imagine Dragons - Look How Far We've Come

	tom:		
Intro:	B Gb B Gb		Abm
	Gb B Abm B		We've got the same old hands
	Gb B Abm B		B
			We've made the same old plans
Gb	B		Gb
Take me on a whim			Bail out to the yellow raft
Abm			B
It's not the sun that provides us			It's got a hole, but we can last
B			Abm B
It's not the moon that divides us			We'll watch until it fades away
Gb	B		
I can barely swim			Gb
Abm			Time to take it over
And the current's coming in			Abm
B			Look how far we've come
And the current's coming in again			B
			Some were never meant to come around
Gb			B
Stand up when you hear your name			Some were never meant to leave the ground
B			Gb
Because I think that we're the same			Time to take it over
Abm			Abm
We've got the same old hands			Look how far we've come
B			B
We've made the same old plans			Some were never meant to come around
Gb			B
Bail out to the yellow raft			Some were never meant to leave the ground
B			
It's got a hole, but we can last			Gb
Abm B			Time to take it over
We'll watch until it fades away			Abm
			Look how far we've come
Gb			B
Time to take it over			Some were never meant to come around
Abm			B
Look how far we've come			Some were never meant to leave the ground
B			
Some were never meant to come around			Gb
B			Time to take it over
Some were never meant to leave the ground			Abm
Gb			Look how far we've come
Time to take it over			B
Abm			Some were never meant to come around
Look how far we've come			B
B			Some were never meant to leave the ground
Some were never meant to come around			Gb
B			Time to take it over
Some were never meant to leave the ground			Abm
Gb B Abm B			Look how far we've come
Gb B Abm B			B
			Some were never meant to come around
Gb	B		B
I've been painted gin			Some were never meant to leave the ground
Abm			Gb
It's not the color I came in			Time to take it over
B			Abm
It's not the shirt that I stain in			Look how far we've come
Gb	B		B
Hang me on a limb			Some were never meant to come around
Abm			B
And the current's coming in			Some were never meant to leave the ground
B			
And the current's coming in again			Gb
			Abm
Gb			It's time to take it over
Stand up when you hear your name			B
B			Step out into the sun
Because I think that we're the same			Gb
			Abm
			It's time to take it over
			B
			And look how far we've come
			Gb
			We've come
			Final: Abm B
			Ebm Gb B
