

# Imagine Dragons - One Day

tom:

Am

[Refrão]

I know that one day I'll be that one  
 Thing that makes you happy  
 I know I'll keep you laughin'  
 Your sun on a clouded day  
 The feel of a perfect wave  
 Is crashin' upon your face  
 Yeah, I know that one day, one day

[Primeira Parte]

Birds out-side, will sing me a song tonight  
 I know that it's right on time, time  
 Twee-da-da-da  
 Life flies by the moon and the midnight sky  
 Is guiding me to your side, side

[Refrão]

I know that one day I'll be that one  
 Thing that makes you happy  
 I know I'll keep you laughin'  
 Your sun on a clouded day  
 The feel of a perfect wave  
 Is crashin' upon your face  
 Yeah, I know that one day, one day

[Segunda Parte]

Can we run away to a place

That children play in the grassy fields?

Twee-da-da-da

I know they're tellin' you things

That you put in your head, head  
 Promise you that are better off without them

[Refrão]

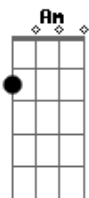

I know that one day I'll be that one  
 Thing that makes you happy  
 I know I'll keep you laughin'  
 Your sun on a clouded day  
 The feel of a perfect wave  
 Is crashin' upon your face  
 Yeah, I know that one day, one day

One day I'll be that one (one, one, one)  
 Thing that makes you happy  
 I know I'll keep you laughin'  
 Your sun on a clouded day (one, one, one)  
 The feel of a perfect wave  
 Is crashin' upon your face  
 Yeah, I know that one day, one day

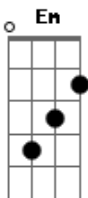

[Final]

Ooh, ooh-ooh-ooh-ooh-ooh  
 Ooh, ooh-ooh-ooh-ooh-ooh  
 Ooh, ooh-ooh-ooh-ooh-ooh, one day  
 Ooh, ooh-ooh-ooh-ooh-ooh  
 Ooh, ooh-ooh-ooh-ooh-ooh  
 Ooh, ooh-ooh-ooh-ooh-ooh, one day
