

Imagine Dragons - Smoke And Mirrors

```
Tom: C
Intro: C
( C G Am )
This is my word, this is my way
Show me a sign, sweep me away
This is my word; heartbreaker, gatekeeper
$\operatorname{\textsc{Am}}$ I'm feeling far away, I'm feeling right there
Deep in my heart, deep in my mind
      Am Am
Take me away, take me away
This is my word; dream maker, life taker
All I believe, Is it a dream?
That comes crashing down on me?
All that I own
Is it just smoke and mirrors?
I want to believe
But all that I own
Is it just smoke and mirrors?
All that I've known, buildings of stone
Fall to the ground without a sound
This is my word; heartbreaker, gatekeeper
Am
I'm feeling far away, I'm feeling right there
I'm starting to cave, I'm losing my flame
```
