

# Imagine Dragons - Thunder

Tom: **C**

**G**  
Just a young gun with a quick fuse  
I was uptight, wanna let loose  
**Em**  
I was dreaming of bigger things  
**C**  
And wanna leave my own life behind  
**G**  
Not a yes sir, not a follower

Fit the box, fit the mold  
**Em**  
Have a seat in the foyer, take a number  
**C**  
I was lightning before the thunder

[Refrão]

**G**  
Thunder, feel the thunder  
Lightning then the thunder  
**Em**  
Thunder, feel the thunder  
Lightning then the thunder  
**C**  
Thunder, thunder  
Thunder

**G**  
Kids were laughing in my classes  
While I was scheming for the masses  
**Em**  
Who do you think you are?  
**C**  
Dreaming 'bout being a big star  
**G**  
They say you're basic, they say you're easy  
You're always riding in the backseat  
**Em**  
Now I'm smiling from the stage

**C**  
While you were clapping in the nose bleeds

[Refrão]

**G**  
Thunder, feel the thunder  
Lightning then the thunder  
**Em**  
Thunder, feel the thunder  
Lightning then the thunder  
**C**  
Thunder, thunder  
Thunder

[Ponte]

**G**  
Thunder, feel the thunder  
Lightning then the thunder, thunder

[Refrão]

**G**  
Thunder, feel the thunder  
Lightning then the thunder  
**Em**  
Thunder, feel the thunder  
Lightning then the thunder  
**C**  
Thunder, thunder  
Thunder

**G**  
Thunder, feel the thunder  
Lightning then the thunder  
**Em**  
Thunder, feel the thunder  
Lightning then the thunder  
**C**  
Thunder, thunder  
Thunder

## Acordes
