

# Imagine Dragons - Working Man

Tom: **C**  
Intro:

**C**  
Shake it, shake it, and we're moving again  
**F**  
Been a long time coming for the working man  
**Am**  
So shake it, shake it, and we're moving again  
**G**  
When the money is high, we can start to spend  
(x2)  
**C**  
Every little bit goes a little of a long way.  
**F**  
Life gets hard and I'm headed for the highway home, home  
**Am**  
**Caug**ht up in the middle of a headache and a heartbreak  
**G**  
Just when I thought I was clear of the mistakes, No, no oh oh  
**C**  
So tell me, tell me, tell me, what am I to do  
**F**  
I think that this life is darker than the view  
**Am**  
So help me, help me, help me, be a little more like you  
**G**  
When everything is falling, I'm gonna do the things you do  
**C**  
Shake it, shake it, and we're moving again  
**F**  
Been a long time coming for the working man  
**Am**  
So shake it, shake it, and we're moving again  
**G**  
When the money is high, we can start to spend  
(x2)  
Shake it

**C**  
Everything is serious and everything is fatal, hat's what they tell you  
**F**  
And that's how they make you know, know  
**Am**  
I'm tired of the books and I'm tired of the tables, everything is made with the same old labels  
**G**  
No, no oh oh  
**C**  
So tell me, tell me, tell me, what am I to do  
**F**  
I think that this life is darker than the view  
**Am**  
So help me, help me, help me, be a little more like you  
**G**  
When everything is falling, I'm gonna do the things you do  
**C**  
Shake it, shake it, and we're moving again  
**F**  
Been a long time coming for the working man  
**Am**  
So shake it, shake it, and we're moving again  
**G**  
When the money is high, we can start to spend, shake it  
**C**  
Shake it, shake it, and we're moving again  
**F**  
Been a long time coming for the working man  
**Am**  
So shake it, shake it, and we're moving again  
**G**  
When the money is high, we can start to spend, shake it  
(x4)  
Shake it
