tom:  
Capostrate na 3ª casa  
Intro: Am C G F

[Primeira Parte]

Am  
Days pass by and my eyes stay dry  
C  
And I think that I'm okay  
G F  
'Til I find myself in conversation fading away  
Am  
The way you smile, the way you walk  
C  
The time you took to teach me all  
G  
That you had taught  
F  
Tell me, how am I supposed to move on?

[Pré-Refrão]

Am  
These days I'm becoming  
C  
Everything that I hate  
Wishing you were around  
G  
But now it's too late  
My mind is a place that  
F  
I can't escape your ghost  
Am C  
Sometimes I wish that  
G  
I could wish it all away  
F  
One more rainy day without you  
Am C  
Sometimes I wish that I could  
G  
See you one more day  
F  
One more rainy day

[Refrão]

Am C  
Oh, I'm a wreck without you here  
G Ab  
Yeah, I'm a wreck since you've been gone  
Am C  
I've tried to put this all behind me  
G F  
I think I was wrecked all along  
Am  
Yeah, I'm a wreck

[Segunda Parte]

Am  
They say that the time will heal  
C  
And the pain will go away  
G  
But everything, it reminds me of  
F  
You and it comes in waves  
Am  
The way you smile, the way you walk
