

# Immaculate Fools - Bed Of Tears

tom:

Am

Intro: Am F Em Am

Am

One more death

In the name of some god

One more prayer

Answered in blood

F

Man invented god

Em

So man could keep it all

Am

One more prophet

Hiding in the hall

F

One more night

Em

Am

One more bed of tears

Am

One more fool

Swims against the tide

One more dream

That will never last the night

F

Sink or swim

Em

Fight or fall

Am

One more back

Up against the wall

F

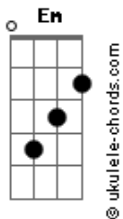

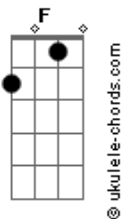

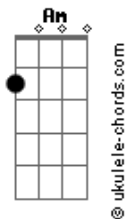

One more night

Em

Am

One more bed of tears

## Acordes

( Am F Em Am F Em Am )

Am

One more thief

To rob you with his pen

One more law

That you cannot defend

F

The school bully now

Em

Has a gun in his hand

Am

One more boy

Who thinks that he's a man

F

One more night

Em

Am

One more bed of tears

Am

One more face

Turns towards the sky

One more heart

With sorrow as its bride

F

Not all of us are sleeping

Em

Some are standing by

Am

One more voice

Learning how to fly

F

One more night

Em

Am

One more bed of tears

( F Em Am )
