[Primeira Parte]

**G**  
This is my street  
**Am**  
I smile at the faces  
**G**  
I've known all my life  
**F**  
They regard me with pride  
**G**  
And everyone's sweet  
**C**  
They say, "You're going places!"  
**Em G D**  
So how can I say that while I was away  
**D Em**  
I had so much to hide!  
**D**  
"Hey guys, it's me!"  
**B7 B7 Em**  
The biggest disappointment you know?  
**C G**  
The kid couldn't hack it  
**Gm F Em**  
She's back and she's walkin' real slow  
**D7**  
Welcome home  
**G**  
Just breathe

[Segunda Parte]

**D G Am**  
As the radio plays old forgotten boleros  
**G F**  
I think of the days when this city was mine  
**G**  
I remember the praise  
**D**  
"Ay, te adoro, te quiero,"  
**Em C**  
The neighborhood waved, and  
**D**  
Said, "Nina, be brave and  
**Em**  
You're gonna be fine!"  
**D**  
And maybe it's me  
**B7 B7 Em**  
But it all seems like lifetimes ago

**C G Gm F Em**  
So what do I say to these faces that I used to know?  
**D**  
"Hey, I'm home?"

[Ponte]

**Em D**  
Mira Nina (Hey...)  
**G C**  
No me preocupo por ella  
**C Em**  
They're not worried about me  
**Em D G**  
Mira, allí esta nuestra estrella!  
**B7 B7 Em**  
They are all counting on me to succeed  
**Eb D**  
(Ella sí da la talla!)

**D G D Em**  
I am the one who made it out!  
**D C C**  
The one who always made the grade  
**Eb**  
But maybe I should have just stayed home  
**Em D**  
When I was a child I stayed wide awake  
**C**  
Climbed to the highest place  
**B7**  
On every fire escape  
**B7 Em**  
Restless to climb  
**C**  
I got every scholarship  
**G**  
Saved every dollar  
**B7**  
The first to go to college  
**B7 Em**  
How do I tell them why  
**C**  
I'm coming back home?  
**G B7 B7**  
With my eyes on the horizon  
**Em D C**  
Just me and the G W B, asking  
**G Eb Dm**  
"Gee Nina, what'll you be?"

[Terceira Parte]

**G**  
Straighten the spine  
**G**  
Smile for the neighbors  
**G**  
Everything's fine  
**C**  
Everything's cool  
**G**  
The standard reply  
**D**  
"Lots of tests, lots of papers."  
**Em C**  
Smile, wave goodbye  
**D**  
And pray to the sky, oh, God!  
**C D Em**  
And what will my parents say?  
**C D Em**  
Can I go in there and say  
**C G Gm F**  
"I know that I'm letting you down?"

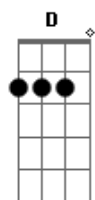

[Final]

**Em D**  
Nina

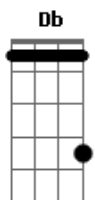

G D Dm C Eb D7 G
