

Incubus - Certain Shade Of Green Acoustic

Tom: **D** a|-5-(let ring)-----3-(let ring)-----|

This classy version is quite different from the original and can be found on Napster or whatever program/site you use. It was recorded at an MTV acoustic session, and, in my opinion, is very clever. This is how I it and as far as I'm aware it is correct - if it's not please contact me at - Enjoy.

Choruses

D Eb7 D Bm Bb7

Verses

D C7 Bm Bb7

e|-5-(let ring)-5-5/6\5-4/6\4-3-(let ring)-7-7-7--6-6-6-|
b|-7-(let ring)-7-7/8\7-6/7\6-5-(let ring)-7-7-7--6-6-6-|
g|-6-(let ring)-----3-(let ring)-7-7-7--7-7-7-|
d|-7-(let ring)-----5-(let ring)-----|

It's impossible to tab the rhythm just right cos it changes every time and really is improvised. The same for the solo - just improvise yourself.

Don't take the tab too literally - just mess around with the chords as he does.

Dan
