

Incubus - Everything Is Dead

Tom: G

Part 5 (about 5:28)

Part 1 (x4)

Part 6 (about 5:48) (x2)

Part 2 (x2)

Here I just tried to show emphasis on the main strokes. Again listen to the song to get the exact rythem. I start on an up beat

on the sets of 3, you can try that also as it might help. At the end $% \left(1\right) =\left(1\right) +\left(1\right$

Im pretty sure that is the correct fretting, however it is very hard to

hear, so I didn't include rythem.

Part 7 (about 6:07)

Guitar 1 (6:07) (repeated over and over again for guitar 2) $\,$

Guitar 2 (6:11)

Part 3 (x2)

Part 8 (about 7:07)

Guitar 1 (7:07) (starts as Guitar 1 from part 7 fades

out)

song

Part 4

The chord that is played starting on the ${\bf G}$ string 12 fret is picked

very fast, and it would be too confusing to try and include picking

rythems here. Again, use the song as reference.

Then repeat the following for the remainder of the

Guitar 2 (8:08) (Fades in so listen close)
