I hear you on the radio

You permeate in my screen
Its' unkind but,

If I met you in a scissor fight

I'd cut off both your wings

--> Refrão:

Hey megalomaniac!
You're no Jesus!

Wash your hands clean of yourself, baby
And step down, step down, step down!

--> 2a Parte:

If I were your appendages

I'd hold open your eyes

So you'd see

That all of us are heaven sent

And there was never meant to be only one
