A decade ago I never

Thought I would be
A twenty three on the verge

Of spontaneous combustion

Woe is me

But I guess that it comes

With the territory

An ominous landscape of

Never ending calamity

I need you to hear

I need you to see

That I have had all I can take

And exploding seems like a

Definite

Possibility

To me

[Chorus]

Bm A G Em Bm
So pardon me while I burst into flames

I've had enough of the world

And its people's mindless games

So pardon me while I burn

And rise above the flame

Pardon me, pardon me

I'll never be the same

[Post-Chorus]

Not two days ago I was

Db
Having a look in a book

And I saw a picture of a

Guy fried up above his knees

I said I can relate

Cause lately I've been

Thinking of combustion

As a welcomed vacation from

The burdens of the planet earth

Like gravity hypocrisy and

The perils of being in 3 D

And thinking so much

Differently

[Chorus]

Bm A G Em Bm
So pardon me while I burst into flames

I've had enough of the world

And its people's mindless games

So pardon me while I burn

And rise above the flame

Pardon me, pardon me

I'll never be the same
