### Verse 2

When I look in the mirror and the only one there is me  
Every freckle on my face is where it's suppose to be  
And I know my creator didn't make no mistakes on me  
My feet, my thighs, my Lips, my eyes, I'm loving what I see

### Chorus

### Verse 3

Bm C  
Am I less of a lady if I don't where panty hose  
Em Bm C  
My momma said a lady ain't what she wears but what she knows?  
G Am G  
But I've drawn the conclusion, it's all an illusion  
Am  
Confusion's the name of the game  
C G Am G  
A misconception, a vast deception,  
F(#11)  
Something got to change

Now don't be offended this is all my opinion  
Ain't nothing that I'm saying law  
This is a true confession  
Of a life learned lesson  
I was sent here to share with y'all  
So get in when you fit in  
Go on and shine  
Clear your mind  
Now's the time  
Put your salt on the shelf  
Go on and love yourself  
?Cause everything's gonna be alright

### Chorus

Out  
Keep your fancy drink, and your expensive minks  
I don't need that to have a good time  
Keep your expensive cars and your caviar  
All's I need is my guitar

Keep your crystal and your pistol  
I'd rather have a pretty piece of crystal  
Don't need you silicone, I prefer my own  
What god gave me is just fine?

### Chorus
