

Indigo & The Sirens - Moon Baby

Tom: **A**

Intro: **Dbm**

Yeah, you **Dbm** learned it too fast, you're still so young
 The night makes room for the light and you fall apart **E**
 You wrote all your fears on a sheet made of scars **Gbm**
 Just for them to know, well they don't know **A B C-**

Dbm

Moon baby

She knows this world is mean **Ebm E**
 It brought you to your knees **A**
 Your eyes are archaic nights **E**
 And your words burn like tongues of fire **B C- Dbm**
 They all leave too fast, too soon **Ebm E**
 But you are still so young **A**
 The moon will be rising **E**
 And you'll sing your song to the stars **B C- Dbm**
 (When it gets dark you sing your song) **Ebm E**
 And you'll sing your song to the stars **A**
 (When it gets dark you sing your song to the stars) **E B**

A

You live in a dream

Where the skies are clear **B**

And there ain't no tear **A**

Only rain on your skin **E**

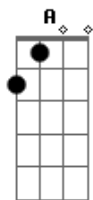

On your skin **B C-**

Dbm

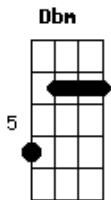

Moon baby

She knows this world is mean **Ebm E**
 It brought you to your knees **A**
 Your eyes are archaic nights **E**
 And your words burn like tongues of fire **B C- Dbm**
 They all leave too fast, too soon **E**
 But you are still so young **A**
 The moon will be rising **E**
 And you'll sing your song to the stars **B C- Dbm**
 (When it gets dark you sing your song) **Ebm E**
 And you'll sing your song to the stars **A**
 (When it gets dark you sing your song to the stars) **E B**
 Moon baby **Dbm**
