

# Infected Mushroom - I Wish

Tom: Gb

[intro] Ebm Eb Bb B  
 Ebm Eb Abm Bbm  
 Ebm Eb Abm Bbm Ebm

I wish to give, to take, to make, to shake  
 I wanna see it happen  
 I want to see, to be, the one that plays the game  
 Without no fears and regrets  
 I want to know you  
 Better than i know myself  
 I want to feel the end  
 And to enjoy the consequence

I'm playing the game  
 The one that will take me to my end  
 I'm waiting for the rain

Abm Bbm  
 To wash who i am

[Ponte] Ebm Eb Ebm Eb

I want to move, to loose, to take the grooves  
 And to give it all back  
 I want to take the time rewind  
 And to kick it right from the start  
 To be unknown and all alone  
 Lose the kind that are behind  
 To start a new play by myself  
 And to give the best i have

I'm playing the game  
 The one that will take me to my end  
 I'm waiting for the rain  
 To wash who i am
