

Infected Mushroom - I Wish

Tom: Gb

[intro] Ebm Eb Bb B
 Ebm Eb Abm Bbm
 Ebm Eb Abm Bbm Ebm

I wish to give, to take, to make, to shake
 I wanna see it happen
 I want to see, to be, the one that plays the game
 Without no fears and regrets
 I want to know you
 Better than i know myself
 I want to feel the end
 And to enjoy the consequence

I'm playing the game
 The one that will take me to my end
 I'm waiting for the rain

Abm Bbm
 To wash who i am

[Ponte] Ebm Eb Ebm Eb

I want to move, to loose, to take the grooves
 And to give it all back
 I want to take the time rewind
 And to kick it right from the start
 To be unknown and all alone
 Lose the kind that are behind
 To start a new play by myself
 And to give the best i have

I'm playing the game
 The one that will take me to my end
 I'm waiting for the rain
 To wash who i am
