

Information Society - Slipping Away

tom:

Intro: A C C C Dm
Am B E

So I've been thinking of the way you used to talk to me
And now it seems we never talk at all

So kiss me like you would kiss me if it were the last time
Hold me now, hold me like you did hold me when it was the first time

Cause I can feel you slipping away
And I can't think of anything to say
That will turn you around and make you stay
I can feel you slipping away
Slipping away

[Solo] A G F E

Now I can see you talking softly on the phone again
And more and more you need to be alone

Now I make you angry just by being near
And even when we're together now I still feel lonely

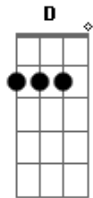

So kiss me like you would kiss me if it were the last time
Hold me now, hold me like you did hold me when it was the first time

Cause I can feel you slipping away
And I can't think of anything to say
That will turn you around and make you stay
I can feel you slipping away
Slipping away

[Solo] A G F E

Cause I can feel you slipping away
And I can't think of anything to say
That will turn you around and make you stay
I can feel you slipping away
Slipping away
