

# Information Society - What's On Your Mind (pure Energy)

Tom: **C**

Obs: No refrão você pode usar variações de **D** e **F** que ficam bem legais.

"It's worked so far but we're not out yet"

I wanna know  
What you're thinking  
There are some things you can't hide...  
I wanna know  
What you're feeling  
Tell me what's on your mind.
